SAL BUSCEMA

1936-2026

Marvel pauses to remember Sal Buscema, a foundational Marvel artist since 1969. Buscema was a prolific penciler and inker, working on nearly every Marvel character. His clear, dynamic storytelling was a feature of long, historic runs on *Spectacular Spider-Man*, *Incredible Hulk* and *Rom*. Buscema was famed for drawing bombastic roundhouse punches that sent characters sprawling across the page, but he could also be capable of great subtlety and emotion in his character acting. "Our Pal Sal" will be missed by generations of Marvel fans.

SPIDERS & SYMBIOTES

THE GRONE-ZONE

SYMBIOTES & CARNAGES & TORMENTS, OH MY!

This April, the final chapters of DEATH SPIRAL are upon us through the pages of AMAZING SPIDER-MAN and VENOM! If you thought Peter, MJ, and Eddie were in dire straights before—words cannot prepare you for what villains Torment and Carnage will unleash throughout the climactic issues to come. We've nearly reached the center of Torment's spiral of death and destruction. Not everyone is walking away from this one, and by the finale—ASM #27—Spider-Man, backed into the very last corner and out of options...does the unthinkable! To cap it all off—a very special (and terrifying) epilogue issue all about Torment's origins arrives at your local comic shop in May: ASM/VENOM: DEATH SPIRAL – BODY COUNT!

And don't miss the next great Spider-Epic spinning out of the pages of AMAZING SPIDER-MAN. Miles, Gwen, and all your favorite Spider-Heroes enroll in SPIDER-VERSITY—where they will be tested and trained like never before by the GREEN GOBLIN himself!

It's thwip to be square!

THIS MONTH'S HOST

NAME: Stephanie Phillips

TITLE: Writer

WORKS ON:

DAREDEVIL, SPIDER-GWEN, PLANET SHE-HULK

WHO IS YOUR IRL SUPER HERO?

Méret Oppenheim. She was an artist who used surrealism to expose how the female body and domestic objects are fetishized, turning them into something unsettling and confrontational. Her work is completely fearless, despite how much it scared her audience.

WHICH SPIDER-MAN VILLAIN DO YOU MOST RESONATE WITH?

Mysterio. Always the storyteller, forever dramatic.

IF YOU COULD GIVE YOUR YOUNGER SELF ONE PIECE OF ADVICE, WHAT WOULD IT BE?

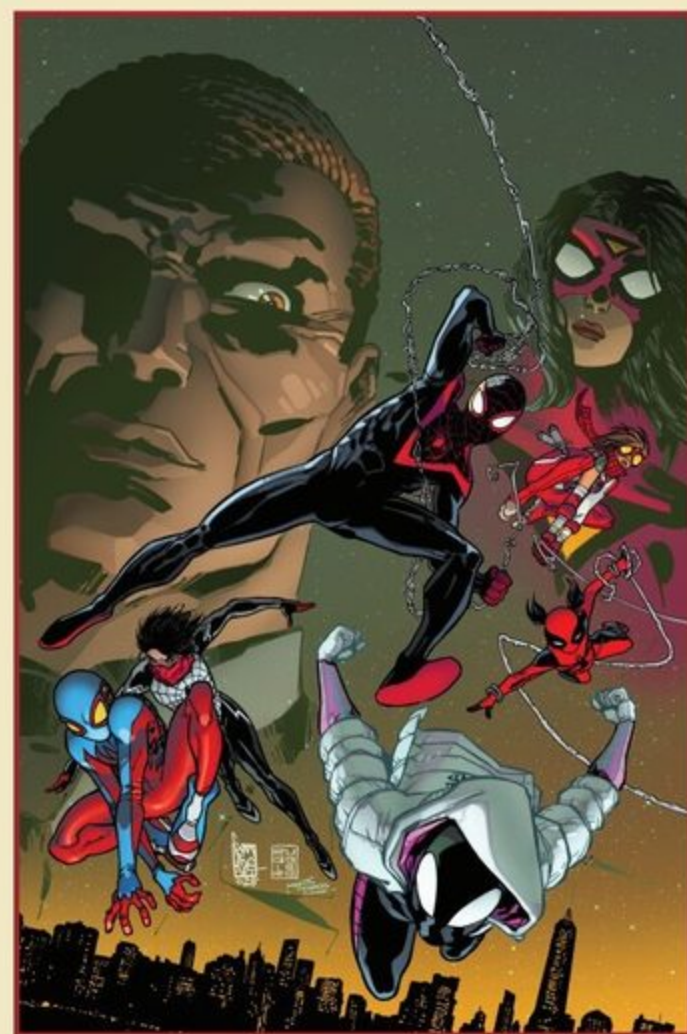

Stop saving those clothes for a braver version of yourself. Wear them now.
